Candidate Biography and Personal Statement

As the youngest and first female Board Member of the Basketball Association of Singapore (BAS), I have been privileged to help strengthen governance, secure resources for athlete development, and promote inclusivity in our sport.

As a two-time SEA Games representative and current national team player, I understand the unique challenges athletes face—particularly women in sports. My professional background in business development and strategic partnerships allows me to combine sporting experience with corporate expertise to drive meaningful change.

Over the past term, I have worked to broaden youth pathways, enhance community engagement, and advocate for greater diversity in leadership. If re-elected, I will continue to champion women's participation and leadership in basketball, ensuring our female athletes and coaches receive the recognition and support they deserve. My vision is a stronger ecosystem where basketball empowers all Singaporeans, with women playing an equal role in shaping its future.
